RULES AND REGULATIONS

*The rules and regulations of **Awesome Guys Dance Company (AGDC)** are designed to ensure the safety and wellbeing of every student participating in any AGDC class. Any breach of these rules will be addressed promptly, and parents/guardians may be contacted when necessary.*

Enrolment and participation indicate agreement to the following terms and conditions:

Supervision & Student Safety

- Please ensure that any child under 18 is collected promptly at the end of their class. Areas outside the classroom are not supervised, and staff cannot take responsibility for children left unattended. If you anticipate being late, please inform us so we can keep your child safely supervised in the classroom by a staff member.*
- All creative materials produced by **AGDC**—including music edits, choreography, concepts, costumes, props, and sets—remain the exclusive property of AGDC and must not be copied or reproduced. All AGDC Directors and teaching staff are qualified and trained in dance instruction. While AGDC is not liable for injuries that may occur in class or on the premises, our staff will administer basic first aid or seek medical assistance immediately if required.*

Students are aware of the AGDC's "No Physical Contact" Policy. For any reason, students should not touch other dancers/students or any AGDC staff members/volunteers unless it is necessary to complete teamwork-focused choreography in a lesson or dance routine.

While waiting at the dance studio/class, parents/guardians must keep an eye on their kids to make sure they do not interrupt classes, hurt themselves or other dancers, or damage the facility. Parents/ Guardians accept full responsibility for damages caused by unsupervised children

Parents/Guardians acknowledge that the teacher(s), staff(s), parents(s), and guardians(s) of The AGDC are not responsible for my child(ren) outside of the classroom, that there isn't always 100% supervision for students outside of the classroom, and that there are inherent risks in leaving my child(ren) unattended/supervised at the studio.

Children who display unacceptable attitudes or behavior are corrected and encouraged to choose positive alternatives. If a child's misbehaviour continues to disrupt the class, the parent or guardian will be contacted to pick up the child.

Any or all grievances, Incidents or complaints are to be directed to the director of AGDC via email. AGDC is committed in ensuring your personal information is treated with the appropriate degree of privacy.

- Parents/guardians are responsible for ensuring all allergies and medical conditions are accurately listed during registration in the Parent Portal. AGDC cannot accept responsibility for incidents arising from undisclosed allergies or medical issues.*
- To provide effective dance training, teachers may need to offer hands-on guidance to assist with technique and body placement. Such contact is always appropriate and professional. Progress requires a structured approach to all AGDC classes, and dance discipline is upheld at all times.*
- Class schedules may change throughout the year. AGDC requires a minimum of two students for a class to run.*

- *If you are experiencing financial difficulty, please speak with AGDC staff before late fees apply.*
- *Excessively overdue fees without communication may result in a student being removed from class.*
- *Students may not participate in performances or the End of Year Concert until all fees are paid in full.*
- *If a student misses several classes due to a serious illness or injury, fees may be adjusted accordingly. AGDC does not adjust fees for absences due to camps, excursions, or holidays.*

In the case of an injury or health concern in respect of your child, all reasonable efforts will be made to contact you promptly. But, in the case of an emergency, or if you cannot be reached, AGDC will seek medical attention for the student. This may involve AGDC rendering first aid to the student or calling an ambulance for the student. You agree to indemnify AGDC for any costs incurred in obtaining such emergency medical attention, for example, ambulance fees.

STUDENT CLASS PLACEMENT

Student class placement is based on many factors, not just a student's age.

The student placement is decided by many factors including the many years of experience of our teachers. Other factors include student progression, development, maturity, physical strength and age. The decision is highly individual and the factors that go into the decision are complex.

Students will be assigned to a class where they feel comfortable, which will help to foster the growth of their self-esteem and allow them to excel and advance as dancers.

We take placement very seriously out of our commitment to each student and placements must be respected. A student's placement is not to be questioned.

CLASS CANCELLATION AND BUSINESS CLOSURE

I/We understood and agree that AGDC may cancel its dance classes if there are not enough students (Minimum 2 students per class).

I/We understood and agree that AGDC may cancel its dance classes if the trainer become unwell or note enough trainer to run the class or other unforeseen circumstances.

I/We understood and agree that there may be makeup classes offered for the cancelled classes.

I/We understand and agree that AGDC currently has only one chief trainer so if any unforeseen circumstances or health concerns to the trainer may result in closure of AGDC dance classes Temporarily/Permanently
